India's first campus based Gurukul for
aspiring Chartered Accountants

Vol-2 | Pages-22 | Sep/Oct-2016|Issue-2

It gives me immense pleasure to see the amazing accomplishment and expectations of achievement, and service of my Team.

In Gurukul, we encourage the growth of moral and ethical values among our students and nurturing them to become responsible

towards society as a whole. We go beyond to ensure that our students get the best of learning, moulding them to think critically, synthesize knowledge and reflect on their own thought processes, likewise the students of IPC November 2016 and further the CPT December 2016 geared to outshine.

Through this we ensure that students excel not only within education but in the real world as well, allowing them to “Arise, Awake, and Ascend”.

Founder's Message

It is our aim to make the quest for knowledge a life –long passion and to encourage every child a deep sense of living valued and loved. I wish that we would engender this kind of ethew among all to continue the process of learning and teaching.

Dear Parents,

Here at UPACA Gurukul, the Management and the Team are determined to achieve 'Excellence in all Directions'.

Maria Montessori rightly said that the Child's mind is a 'carta blanca' means a blank sheet of paper and it is up to the educators to fill these blank sheets of paper with the appropriate material. We are working towards moulding our CA aspirants into caring human beings concerned about fellow humans and a bundle of basic human values.

We share Indian customs and traditions, including Ganesha Chaturthi celebrations. The Utsav was celebrated in quest of knowledge from 5th September to 11th September 2016.

Great enthusiasm was widespread among the members and the students of UPACA Gurukul were dissolved into chant and playing the Dholak. The moment felt mesmerizing holistically, the hymns absorbing into devotion.

The theme of the seminar was "Nurturing Young Minds to build their future: Opportunities of a CA in the Commerce stream."

Its perception and intelligence, so
that's all one must do in life –
constantly looking for ways to

The Master CA Sir Uttam Prakash Agarwal an inspiration always guiding and mentoring students with the rich experiences of his life and profession.

It is indeed a poignant yet proud moment for Management, Parents and Mentors to watch their children walk up the stage with confidence in their robes.

We express our gratitude towards our Board Members, Governing Council Members, parents and mentors for inculcating values and lessons that have shaped the children to move ahead.

We thank you on the journey of our young stars for their preparedness to take flight to Article ship. Our students spoke about their personal journey of learning through the year, their confidence and poise whilst speaking held us spellbound.
