Founder's Message

***I TAKE IMMENSE PLEASURE IN HUMBLY
INTRODUCING THIS UNIQUE CONCEPT OF UPACA
GURUKUL. HAVING BEEN A CA FOR MORE THAN
TWO AND A HALF DECADES. IT HAS ALWAYS BEEN MY
WISH TO DO MY BIT FOR THIS WONDERFUL PROFESSION
OF CHARTERED ACCOUNTANCY.***

***UPACA GURUKUL MY LONG SEEN DREAM, IS MY
WAY OF GIVING BACK TO THE CA FRATERNITY.***

Dear Students and Parents,

Welcome to UPACA Gurukul of Excellence. I express the ache and zest of management, staff and students bringing to all that they do here, making the Gurukul delightful abode of learning.

Upaca is our country's renowned CA and finance scholastic nucleus facilitating to groom outstanding professionals holistically as well as build Commerce domain. As a Gurukul we have a strong focus on student's gurukul advancement and accomplishment. We deliver a curriculum model based on the framework designed by ICAI and Mohanlal Sukhadia University.

In today's dynamic world, a 360 degree development and grooming is of paramount significance and through our campus we are creating an environment for future leaders, entrepreneurs and professionals, to harness skills and aptitudes in an array of functional disciplines.

I belief 'whatever is your highest, you just contemplate upon that, your inner and outer purity will happen naturally' – Sadhguru

Students are working in an environment where they are challenged and have their expectations raised to achieve demanding targets. This is proven where our students are doing remarkably well. Such success is the result of the partnership between the college, the students and parents through our commitment to parental engagement.

I am privileged of the exceptional teaching mentors we have working across the campus, engaging the students in a wide range of exciting learning opportunities. All students are an intricate combination of both strengths and areas for improvement. Our team ensures that every student is guided and cared for to ensure that their individual needs are met and accomplished in gurukul skills.

I consider it vital that leadership opportunities are available to all and I am assertive that our ever evolving initiatives will help to deliver a stable and all-inclusive education at Uttam Prakash Agarwal Chartered Accountancy Gurukul.

In my view, four things are required to make an gurukul distinctive. Students experience, successful faculty, a supportive campus learning environment and extensive resources. A dynamic institute makes an impression on everything it touches on the minds and thoughts of students.

We spare no efforts to make the educational experience of our students meaningful and equip them to face the challenges of the future while ensuring that at the same time they are enjoying their experience of learning. I welcome all ideas, suggestions and opportunities to enhance the educational environment and culture in our Gurukul.

**Best Wishes,
Dr Routh Malobika**
